SUMMARY

Highly motivated software development professional and PG-DAC graduate from C-DAC ACTS. Strong academic foundation with a B.E. in Computer Science & Engineering. Skilled in full-stack development with hands-on experience in the MERN stack, Django, and Java-based microservices, including projects such as a Virtual Assistant, an IndiaBix clone, and Discoursify. Strengthened core programming abilities through certifications in Java and Python.

EXPERIENCE

Web Development Intern

Shynotech Software Technology India Pvt. Ltd.

June 2024 – July 2024

Gwalior, India

- Worked on core web development tasks using HTML, CSS, and JavaScript
- Developed responsive web pages and reusable UI components
- Followed standard development workflows, debugging practices, and version control
- Collaborated with team members during training sessions and project discussions

TECHNICAL SKILLS

Languages: Java, Python, C/C++, SQL, JavaScript, HTML/CSS

Frameworks: React, Node.js, Express.js, Django, Spring Boot, Hibernate

Developer Tools: Git, Docker, VS Code, IntelliJ, Eclipse

PROJECTS

Discoursify | J2EE, Spring Boot, React, Microservices

CDAC Project – 2 Months

- Developed a real-time web application to enhance communication skills through AI-assisted group discussions
- Implemented live audio and video communication using WebRTC with WebSocket-based real-time signaling
- Built microservices-based backend using Spring Boot and Spring Cloud (Gateway, Eureka) with RESTful APIs
- Integrated JWT authentication and Apache Kafka for asynchronous message processing
- Designed responsive frontend using React.js with MySQL for data persistence
- **Repository:** github.com/sharad1666/Discoursify

Virtual Assistant | MERN Stack

April 2025

- Built a virtual assistant with real-time voice commands and a responsive conversational UI
- Integrated backend services for task automation and data handling
- **Repository:** github.com/sharad1666/Virtual-Assistant

IndiaBix Clone | Django Framework

Dec 2024

- Developed an aptitude and logical reasoning practice platform with quiz management
- **Repository:** github.com/sharad1666/IndiaBix-Clone-Django

EDUCATION

CDAC ACTS

PG Diploma in Advanced Computing (PG-DAC)

Pune, MH

Aug 2025 – Feb 2026

Institute of Engineering, Jiwaji University

Bachelor of Engineering in Computer Science

Gwalior, MP

Oct 2021 – Aug 2025

Kendriya Vidyalaya SECL Nowrozabad, CBSE

XII (Mathematics)

Nowrozabad, MP

Apr 2020 – June 2021

RELEVANT COURSEWORK

Data Structures and Algorithms, Object-Oriented Programming, DBMS, Operating Systems, Computer Networks, Software Engineering

TRAININGS & CERTIFICATIONS
